

## Property Tax Assessment – 101

As part of OUR commitment in educating the public and to create transparency in the Property Tax Assessment System, we are beginning a series of courses/seminars beginning with Property Tax Assessment – 101, which will answer the following questions:

- How the Property Tax Assessment System works.
- How does the Assessor come up with my Property Tax Assessment?
- How do I Appeal my Property Tax Assessment?

We will also be discussing upcoming legislation changes with:

- BILL 23 and how it effects you!

There will also be time at the end for some Questions and Answers.
